

Murwillumbah Rifle Club

Fullbore Target Shooting Events:

As the range is split over two working farm properties, the longer ranges are only used by the Fullbore shoot (300yds-900yds). The rifles used in Fullbore are designed for this purpose, providing accurate target hits for these distances.

Costs:

Please pay range fee(s) in order of arrival and advise calibre(s) intended for use.
Presentation of licence always appreciated.

- Members: **\$10**
- Visitors: **\$20**

New Shooters: *(Inc. 12 Shots / Range fee / Club Gun - \$25.00)*

When is it on?

Scheduling of Fullbore events can be found in the Club's online calendar section of website for dates. Shoots are held on alternate Saturday afternoon & Sunday mornings.

Time format:

- Saturday from 1.00pm.
- Sunday from 8.00am.
- Please leave gates as found (normally closed).

What to bring:

- Please bring ear protection (ear muffs or ear plugs) – compulsory.
- sun protection, hat, suitable clothing
- water
- food
- hat
- chair

If you have your own gear:

- jacket
- glove
- sling
- shooting hat
- ammunition
- rear rest
- front rest
- bipod
- portable shooting table (if required)

Safety Rules to be followed (as per SSR's – see website in information section):

- All rifles must be sighted to at least 300yds before you are allowed to shoot on our range.
- Any rifle or ammunition that does not conform to Fullbore standards must be inspected by the Range Officer of the day, before you are allowed to shoot.
- When on the property, bolt action rifles are to have the bolt removed at all times. However, only when the mound is open and it is your turn to shoot, your rifle needs to face the target, then the bolt can be fitted to your rifle.
- All firearms must have a chamber safety flag (high visibility orange appreciated) inserted into the action and the action open at all times when not on the firing point.
- Rifles to be handled pointed straight up.
- Range officer is to clear rifles before aiming at target can cease.
- Misfire(s): Rifle to be kept aiming on target for the first 30 seconds. The Range Officer to clear rifle before rifle aim on target can be ceased.
- When range closed (for example to change targets), no rifles to be left on the mound. A red flag will indicate this on the mound.
- Full cover footwear must be worn at all times on the firing line and in the butts.

Shooting position:

- prone (lying)

Grading to follow Fullbore Target Rifle:

- A grade 97.5 and over
- B grade 94.5 and under 97.5
- C grade under 94.5
